

# Digital and IT

## Intro to Creating Webpages

---

Embark on a two-day journey to explore the fundamentals of web design and create your very own website from scratch.

### What are the entry requirements?

Students would be expected to have basic digital skills, such as using files and folders, opening and using applications, and be comfortable using Microsoft Windows.

### Need more information?

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us [courses@northern.ac.uk](mailto:courses@northern.ac.uk)

## Course description

---

This course is designed for beginners with little to no prior experience in web design, providing a hands-on introduction to building and linking webpages.

## What can this course lead to?

---

Once this and the college's Creating Apps course are completed, you will be ready to join the Intro to Computer Programming course.

## Want to learn more?

---
