

# Digital and IT

## **Introduction to Creating Webpages**

This course is designed for beginners with little to no prior experience in web design, providing a hands-on introduction to building and linking webpages.

#### What are the entry requirements?

# No formal requirements; students will be required to have completed the Next Steps in Computers course, or already have digital skills equivalent to those listed in that course's description.

#### **Need more information?**

You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

#### Course description

Embark on a two-day journey to explore the fundamentals of web design and create your very own website from scratch.

#### What can this course lead to?

Once this and the college's Creating Apps course are completed, you will be ready to join the Intro to Computer Programming course.

#### Want to learn more?
