<ul style="list-style-type: none">• 3 June 2025 - 17 July 2025	No formal qualifications are required. A reasonable level of mobility is required for this course, and a willingness to learn.	You can find out more about Northern College and the courses on offer by calling us on 01226 776000 or emailing us courses@northern.ac.uk

Course description

Over the duration of the course, you'll learn a variety of new skills which could include;

- The fundamentals of soil preparation
- Planting
- Maintenance
- Sustainable gardening practices

Don't worry about the weather and the time of year, this course is developed and adapted to each season. So, depending on the season you start the course in, you'll learn all the relevant skills needed to continue to develop and maintain a garden space.

As well as learning new skills, you will also be contributing to the creation and growth of a brand-new community garden which will have the potential to become a cherished gathering place and a central feature of the College.

On completion of this course you will achieve:

- C&G Level 1 Certificate in Practical Horticulture

This course will take place at the Northern College campus.

What can this course lead to?

Successful completion of this course could enable you to progress onto a Level 2 Certificate in Practical Horticulture as well as completion of specialised Land Based certifications*

*On completion of a Level 2 Certificate in Practical Horticulture learners can access fully funded specialised 'Licence to Practice' qualifications for example Certificate of Competence in Chainsaw

Maintenance and Cross-cutting. Please speak to your tutor for more information regarding these qualifications.
